<p>Canvassing: knock on doors, talk to neighbors, win votes for PROP 50! Canvassers use a phone app with details on homes to contact. Staging leaders instruct the setup for each canvassing effort. Volunteers are needed for both.</p>	<p>Spend a half day in your own backyard, knocking on doors and talking to neighbors. Bring a friend or get paired with another volunteer. Training and materials will be provided and details explained during staging at the start of your canvassing day. You'll be talking to Democrats about the importance of voting Yes!</p>	<p>Take canvassing training: https://www.mobilize.us/swingleft/event/831999/</p> <p>Learn how to be a canvas stager (training 9/18): https://www.mobilize.us/cadems/event/836156/</p> <p>Sign up to canvas in: San Mateo - https://www.mobilize.us/swingleft/event/836406/ Redwood City - https://www.mobilize.us/swingleft/event/839306/ Palo Alto - https://www.mobilize.us/swingleft/event/839317/ Los Altos/Mountain View - https://www.mobilize.us/swingleft/event/839301/</p>
<p>Tabling: staff a table with other volunteers at the San Carlos Farmer's Market or Hillside Mall. Engage with neighbors walking by to explain the importance of Prop 50 and why we need their YES vote. Hand out flyers, explain Texas gerrymandered maps, and how Prop 50 levels the playing field.</p>	<p>If you're comfortable chatting with neighbors and are knowledgeable about the topic (or have time to get up-to-speed on the basics), tabling is a great way to spend a couple of hours on a weekend advocating for voter rights! We provide fact sheets, FAQs and other materials.</p>	<p>Sign up to help:</p> <p>Farmer's Market:  https://tinyurl.com/p9d4nz4r</p> <p>Hillsdale Mall:  https://tinyurl.com/3khvbskh</p>
