

## One Million Rising Hosting Made Easy

Our chapter's One Million Rising (OMR) sessions continue to resonate powerfully with attendees. Nearly all report feeling more hopeful afterwards as well as equipped with tools for action. We'd love to make it as easy and stress-free as possible for you to consider hosting too. We are here 100% to help.

### **Who is in the target audience for One Million Rising?**

People who are concerned about the state of our democracy but are not sure what they can do. Often we say these are the folks who are currently "on the sidelines."

### **What is my role as a host?**

- Invite people with clear language so that they know what this gathering is about. We have a sample email to share.
- Arrange a space where we have access to a TV for our slide show. If you prefer not to host in your own home, talk to us about other options.
- Hosts usually provide some drinks and a few snacks, but this can be minimal.
- Let us know how much or how little you would like to help facilitate the discussion. No presenting is required on your part, but we welcome your participation as much as you'd like.

### **What's included in "full service" support from Indi Mid-Pen's OMR team?**

- Sample email invitation for you to send to your friends and family
- An experienced presenter/co-facilitator who will come to you
- HDMI cord to hook up to a TV
- Handouts for your guests
- Suggested follow up email for you to send

### **Next steps**
